

REVISED DATE NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that at a regular meeting of the Redding Area Bus Authority on September 19, 2011, at 5:15 p.m., in the City of Redding Council Chambers, located at 777 Cypress Avenue, Redding, California, the Redding Area Bus Authority moved the Public Hearing to **Monday, September 26, 2011, at 3:00 p.m.** This public hearing is regarding the modification of Route 7 in accordance with the laws of the State of California. Route 7 currently has a supplemental route identified as 7B that operates for five hours a day and results in a 30 minute bus service for those hours on weekdays instead of RABA's typical 60 minute services. The current Route 7 would continue to serve its customers every hour between 7:00 a.m. and 8:00 p.m. with transfers at both the Canby and Masonic transfer centers. Route 7B is proposed to reduce the current five hours to one hour and modify the remaining time resulting in what will be called the "School Express Route". The hour will be modified to include:

- A half hour run in the morning originating at 7:30 a.m. from the Downtown Transfer Center to Shasta View Drive north to Shasta College by 8:00 a.m.
- A half hour run in the afternoon originating at 3:45 p.m. at Redding School of the Arts heading north on Shasta View Drive, stopping at Shasta College at 3:55 p.m. and arriving at the Downtown Transfer Center at 4:15 p.m.
