Ride and Win Promotion Rules and Information

The RABA Ride and Win promotion is being conducted between July 19 and August 31. The purpose of the promotion is to encourage people to ride RABA.

How it Works:

- Eligible people are those who ride a local RABA bus from July 19 through August 31 (includes children, babes in arms/strollers, people who have transfers)
- Each time a person boards a RABA bus they are handed a Ride and Win entry ticket from the driver.
- Riders fill out the entry and drop the portion of the form with their name and phone number in the box on the bus.
- Drawings are held each week, on Monday, from entries received from the prior week.
- Winners from a weekly drawing are not eligible to win another weekly drawing, but are eligible for the grand prize drawing.
- The grand drawing will be held the first week of September from all entries received from July 19 to August 31.
- You do not have to be present to win the prize.
- Winners will be notified by phone and the RABA website. Person must present the matching ticket stub to win the prize.
- Weekly winners must keep their ticket stub to be eligible for the grand prize.

Other Information:

- All prizes were donated by local merchants.
- The promotion is being advertised on radio and television beginning July 14.
- If someone forgets to put the entry in the box during their ride they may place the entry in the box the next time they ride, as long as the entry is received during the promotional period. They cannot give it to the driver or any RABA employee.
- RABA employees and employees of Veolia are not eligible.
